

September 10, 2012

Dear Community Partner,

The Sussex Central Ruritan Club is seeking station sponsors and/or donations for our annual Clay Shoot fundraiser on Sunday, November 11, 2012. The shoot will take place with registration opening at 9:00 a.m. at Owens Station in Greenwood, Delaware. This year's event will include lunch, prizes, and a shotgun raffle.

Our fundraiser this year has been named in honor of Lilly Barnett. Proceeds from this event will be donated to Lilly and her family to help offset the costs of her injury. Lilly was a victim in an accident last year that left her coma and eventually diagnosed with diffuse axonal injury in the brain. Lilly was a patient at the A.I. duPont Hospital for Children in Wilmington for almost 5 months and since has returned home. During her stay and upon her arrival home, many expenses were incurred due to her parents absence from work and accommodations needed to make her home and transportation accessible. For more information about Lilly's story, you can visit www.caringbridge.org and for event information, you can visit www.friendsforlilly.org.

We are asking our community for any sponsorship and/or donations that you may have available to help make this fundraiser a huge success. For more information, please contact Bob Lawson (302.745.8428) or visit www.sussexcentralruritan.com. The Sussex Central Ruritan Club greatly appreciates your donation and hopes that you can make it to the event. Thank you again for your time and generosity.

Regards,

Bob Lawson
Treasurer
Sussex Central Ruritan Club
